But also Christmas...

How to Judge a Source

Credibility

Accuracy

Reasonableness

Support

Some Things to Consider

- Wikipedia should not be used for research for school
- Sources that give you more information are generally more reliable
 - Author, date, sources
- The sources that are appropriate differ for the kind of research you do
 - What would be appropriate for a doctor's research?
 - How about a disagreement with your brother?
 - What about a definition of a word you don't know?

Today:

- We're going to do some research on famous Christmas Carols
- Use our CARS method to judge whether sources are good ones
- Answer the questions on the worksheet in Google Classroom
- Through your research, consider the purpose of Christmas Carols
